

SPONSOR A COMBAT WOUNDED GOLFER OR WIVES OF WARRIORS

Operation Game On is actively seeking individual and corporate sponsors to join us as we help combat injured troops and their families.

There's so much more we'd like to do and with the help of donations we can turn the future around for the entire family of our combat heroes.

WHAT COULD AN INDIVIDUAL SPONSOR DO?

- Donate \$1000 or \$500 today, or, even \$100, \$50, \$25.
- Play or be a Sponsor in our annual Operation Game On Golf Classic golf tournament FUNraiser
- Sponsor a foursome of Troops and/or their Wives to play at your local golf club.

WHAT COULD A CORPORATE SPONSOR DO?

- Sponsor the purchase of Adidas golf shoes and Taylor Made golf bags.
- Sponsor a give-away item for our troops or for the participants at our next golf event.
- Donate your company's time or services.
- Donate complimentary tickets to local events for troops involved in our program.
- Help us raise money at your business - we'll build a mini-campaign to fit your needs.
- Become the Title Sponsor for the Operation Game On Golf Classic.

If you are attending one of our events, you'll find that getting to know other golfers and networking with area business owners is well worth the price of donation.

MISSION STATEMENT

Our mission is simple: provide golf as a form of rehabilitation for our returning combat-injured troops suffering from physical and mental disabilities.

**Building Confidence
One Swing At A Time**

OPERATION GAME ON

Operation Game On gives returning combat-injured troops suffering from physical and mental disabilities a very special custom intro-to-golf package. With your support we can provide them with:

- 16 Weeks of Golf lessons by certified PGA Golf Instructors
- Professional fitting session at Taylor Made's 'The Kingdom'
- Golf equipment including a brand new full set of Taylor Made clubs and golf bag
- Adidas golf apparel including shirts, shoes, and headwear

Foremost, we are giving these Heroes the confidence and the chance to transition from the trauma of IEDs and dangerous missions to the accomplishment and thrills of GIRs and sinking a birdie putt.

OTHER PROGRAMS

FREEDOM GOLF NETWORK

Operation Game On has established partnerships with several golf courses throughout San Diego, Orange, and Riverside Counties that will provide playing opportunities on their courses at either no cost or reduced green fees to our combat injured troops.

WOW WIVES OF WARRIORS

Operation Game On does not want to leave out the wives of our Troops. WOW (Wives of Warriors) golf program kicked off in 2011. Since Operation Game On has been so successful for our combat-injured troops in rehabilitating them to a more athletic life through golf, we began teaching the wives of our combat-injured troops this wonderful game of a lifetime. Through golf the wives and warriors experience a fun athletic activity that brings them closer together that they can share for a lifetime.
